Chapter 1 by Kawaii_Potato

5 years earlier:

Unknown P.O.V:

I stay hidden in the shadows as I watch Chiron, Apollo, and some half-blood try to stop some girl from doing something. From my position I can only hear bits and pieces of the conversation "Either the spirit takes hold, or it doesn't." I hear a male voice, followed by shocked gasps from one of the demigods. I try to step forward when it become difficult to hear, but think better of it when I see one of the girls fall into the grass. She gets up and suddenly green mist flows near her body "It's happening" I hear the same voice say only this time in an awed voice.

"Seven half-bloods shall answer the call.

To storm or fire, the world must fall.

An oath to keep with a final breath,

And foes bear arms to the Doors of Death."

I see the girl collapsed again so I run away toward the water and shift back into my siren form. "He will be pleased, and I can keep my daughter safe." I whisper so myself as I swim into the ocean.
